

# **David vs. Goliath - A Mathaphor**

**Who was the "Underdog" most certain of defeat?**

**Answer: Goliath**

**Why? Do you know?**

**Goliath was the most powerful Bronze Age Warrior of either side's army, including David's brothers. Goliath was large, powerful and fully armed with the best weapons and armor of a Bronze Age Warrior.**

**No other Bronze Age Warrior could win in a hand to hand close up combat.**

**King Saul's warriors were all quite properly afraid of Goliath.**

**Then along came David, a young shepherd brother of some of King Saul's warriors.**

**No Bronze Weapons or Armor for David!**

**However,**

**David had a revolutionary technology much superior to the Bronze Age Warrior's technologies, called a Sling.**

**No Armor - No Close Up fighting - Kill Lions and Bears**

**David's Sling in the hands of a properly trained skilled fighter like David was like a modern powerful pistol. Proven in modern times.**

**Properly aimed at an open spot in the Armor of Goliath the Sling's rock was like a powerful bullet from a modern gun.**

**Deadly.**

**Goliath never had a chance!**

**David would never get close enough to Goliath to get hurt.**

**David had no heavy armor and could easily evade Goliath and hurl as many "stones" or "bullets" as necessary until one hit.**

## **Homeschools vs Public Schools - A Mathaphor please**

**Mathaphor = = = A Metaphor about Math**

**Homeschools = = David**

**Public Schools = = Goliath**

**What is the Sling that the Homeschool has to defeat the Public School?**

**The greatest weakness of a Homeschool is often Mathematics.**

**Very few Homeschool Teachers can teach the Math that is taught in a Public School by a licensed Math Teacher.**

**A big argument against Homeschools! Inferior Math Education!**

**BUT, Public School's Standard Math Curriculum, SMC, is like Bronze Age Weapons. Obsolete Content and Inferior Pedagogy.**

**Homeschool parents now have a Sling which is Vastly Superior to the Standard Math Curriculum, SMC, taught in Public Schools.**

**Triad Math's Six Tier 21st Century Online Math Program.**

**It is a small fraction of the Cost of the SMC and Vastly Superior in both SPIKE Pedagogy and 21st Century Math Content.**

**The Homeschool Parent only needs to be the Coach, and Dr. Del is the Online Math Teacher utilizing SPIKE Pedagogy to teach the students a vastly superior 21st Century Math Curriculum.**
