### **2. So what's the 30% all about?**

After your first month, if you love this program you will be given a special ID and you will then be able to tell other families about this program using your ID.

Then if and when they become a SupraCrusader You will be paid a 30% Reward from Triad Math to thank you for your efforts.

There is **No Limit** on how many new SupraCrusader families you might bring us.

**And, They will thank you very much for improving their lives!**

**Let's do Some easy Math.**

Suppose you tell a few families about it and one becomes a SupraCrusader.

How much will Triad Math reward you?

Ans. \$9/Month so long as this family remains a SupraCrusader.

For say a year, that would be \$108. Two years, \$216. Etc.

Suppose you brought Triad Math four new SupraCrusader families.

Your Reward? Obviously,  $\$9 \times 4 = \$36$  per month.

Thus, you would in essence be getting your family's Math Education for No Cost. Indeed, you'd be making a net of \$6/Month.

**AND, Be Very Aware!** Especially IF your family could use some extra dollars.

There is **No Limit** on how many families you might bring to Triad Math as SupraCrusaders.

So, for example if you brought Triad Math 100 SupraCrusader families You would earn \$900/Month. For the year? Over \$10,000! You do the Math.

**No Limit! Hmmm!**

Suppose you went on Social Media or to some large organization like a large Church and brought Triad Math 1,000 new SupraCrusader families.

You do the Math!

**BEST of ALL!**

**You will be helping any family you bring to us improve their lives!**

Just read and watch a few Testimonials to see how life transforming this is:
